Emergency Contact Information

Current emergency contact information is required in the event of an unforeseen emergency, including but not limited to, your boat sinking or otherwise in distress, damage to your property, or a personal medical emergency you may suffer while on The Club grounds. Your emergency contact should not be your First Mate or someone who would be absent from The Club when you are. This is a tool to help you in the event of a situation that arises when you are not present or become incapacitated while at The Club. We hope we never need to use it.
